When to Search for Housing in Vancouver

- Rentals available for September are usually posted in July and August
- BC laws specify a 30 day notice to vacate a property
 - Most rental agreements start on the first day of the month.
- The turn around time for rental units is fast.
 - Keep an eye out for For Rent or Vacancy signs
- Vancouver is a popular city, it can take some time to find an apartment/room.

Other Resources

[Renting it Right](#): An online course which is offered through the Tenant Resource & Advisory Centre. It's a great way to understand the renting climate here in Vancouver and provides an overview of your rights as well as tips for searching for housing, the rental application, signing the tenancy agreement, and moving in. There are also worksheets for creating a monthly budget, helpful tips for preparing a list of references, and ordering your credit report...
